Note: Non-consolidated basis. Figures for the fiscal year ending October 2022 and 2023 are the company's forecasts.

Provides IT Services for Accommodation Facilities such as tripla Book

tripla is helping to drive digital transformation in the accommodation industry by providing IT services for accommodation facilities.

The company offers tripla Book, an official website reservation system, tripla Bot, an Al chatbot, tripla Connect, a CRM marketing automation tool, and tripla Pay, a local settlement service, all for accommodation facilities.

The company discloses operating revenues from its main services. In fiscal year ended October 2021, tripla Book accounted for 42.0% and tripla Bot 50.0%. Others include onetime sales related to the individual development of room reservation systems for major hotel chains and other clients. From fiscal year ended October 2022, net sales from tripla Connect and tripla Pay have been included in this category.

Overview of Major Services

tripla Book is a cloud-based reservation system that embeds JavaScript prepared by the company in official websites of accommodation facilities, allowing users to make accommodation reservations on official websites.

tripla Bot is a service that displays a chatbot on official websites of accommodation facilities to automatically respond to inquiries from users.

Accommodation facilities using tripla Book and tripla Bot are spreading nationwide, with end clients reaching 1,487 and 969 facilities, respectively, as of the end of July 2022. Major customers include Mystays Hotel Management and Daiwa Resort.
